Working with Individuals with Learning Disabilities

High-quality Learning Resources

Around 1.5 million people in the UK have a learning disability. Owing to the fact that they are likely to find it more difficult than others to describe their symptoms, a good knowledge of legislation and the healthcare system, as well as an understanding of signs and symptoms of various conditions, is essential for anyone working with individuals with learning disabilities.

Benefits to your organisation

This qualification may be available at no cost - please enquire

Create better preventative care by outlining how the attitudes and beliefs of others can affect individuals with learning disabilities

Reduce the risk of malpractice and negligence

Allow employees to gain relevant skills, knowledge and understanding, leading to improved experiences for those using your services

Evidence competency of staff in this subject area to external stakeholders

Give employees a high standard of learning to support their roles

Create a more motivated and engaged workforce by supporting CPD development and possible career progression

Reinforce the importance of safeguarding individuals from abuse and the importance of a person-centred approach to risk-taking

Relevant to a wide variety of people and settings

Provide assurances that your employees are well trained

Benefits

No need to formally attend a college, meaning that you can learn in your own time

Further your personal and professional development

Receive a set of high-quality learner support materials that will be yours to keep and use as a reference

Achieve a nationally recognised Level 2 qualification

Receive support and guidance from a dedicated team of qualified assessors/tutors

How is it delivered?

Alongside the learning materials, you will have the support of a knowledgeable assessor/tutor who will give you advice and guidance on the course content as well as providing robust feedback on the work you complete.

Successful completion of this course ensures that the learner has fully understood these important principles and evidences knowledge of the subject area.

What is the cost?

Due to the availability of government funding, this qualification may be available at no cost - please enquire. Funded places are limited so please book early to secure your place. Funding is subject to learners meeting set eligibility criteria, which must be provided prior to the start of any course.

Please note that a fee is payable if learners decide to withdraw from the course and do not complete their assessments. Learners must want to independently enrol onto the course.
