# Care Planning

High-quality Learning Resources

Care workers play a key role in ensuring their residents/patients are treated with a friendly and caring approach. Care workers have the ability to relate to people from a variety of backgrounds. After an investigation from the Care Quality Commission revealed that 424 out of 1,357 services in England are rated 'inadequate', the need for high-quality trained care workers has never been greater.

## Benefits to your organisation

Ensure your staff understand their role in person-centred thinking, planning and reviews when supporting individuals

Ensure all staff understand the principles and practice of person-centred thinking, planning and reviews

Improve your team's understanding of employment rights and responsibilities as well as positive working behaviour

Ensure employees understand the issues around the storage and sharing of information

Allow employees to gain relevant skills, knowledge and understanding, leading to improved experiences for those using your services

Reinforce the importance of developing, managing and monitoring a budget within an organisation

Escalate your team's understanding of identifying who should be involved in the care planning process and the person-centred care planning process

## No cost

Create a stronger workforce by understanding the implementation of care plans and how to evaluate plans and processes

Provide better customer service by highlighting good problem-solving techniques

Ensure staff are able to explain how the person-centred care planning process differs from other forms of planning and assessment within the care planning process
