# Generic and Specialist Cleaning Principles

High-quality Learning Resources

With a UK industry turnover estimated at £4.7bn in 2011, cleaning is one of the largest business sectors in the UK. It underpins many aspects of life today and is essential for the prevention of disease and spread of infection. People actively seek out clean, safe and comfortable environments so having a highly skilled cleaning workforce is essential.

## Benefits to your organisation

Create better preventative measures by enabling staff to identify potential danger

Evidence competency of staff in this subject area to external stakeholders

Allow employees to gain relevant skills, knowledge and understanding, leading to improved experiences for those using your services

Improve your team's understanding of the various dangers of contamination and spread of disease

Reduce the risk of malpractice and negligence

Give employees a high standard of learning to support their cleaning responsibilities

Provide assurances that your employees are well trained

## No cost

Relevant to a wide variety of people and settings

Create a more motivated and engaged workforce by supporting CPD development and possible career progression

Reinforce the importance and benefits of thorough and careful cleaning procedures

# Benefits

No need to formally attend a college, meaning that you can learn in your own time

Further your personal and professional development

Receive a set of high-quality learner support materials that will be yours to keep and use as a reference

Achieve a nationally recognised Level 2 qualification

Receive support and guidance from a dedicated team of qualified assessors/tutors

## How is it delivered?

Alongside the learning materials, you will have the support of a knowledgeable assessor/tutor who will give you advice and guidance on the course content as well as providing robust feedback on the work you complete.

Successful completion of this course ensures that the learner has fully understood these important principles and evidences knowledge of the subject area.

## What is the cost?

Due to the availability of government funding, this qualification may be available at no cost - please enquire. Funded places are limited so please book early to secure your place. Funding is subject to learners meeting set eligibility criteria, which must be provided prior to the start of any course.

Please note that a fee is payable if learners decide to withdraw from the course and do not complete their assessments. Learners must want to independently enrol onto the course.
