Understanding and Managing Diabetes

High-quality Learning Resources

There is an emerging global epidemic of diabetes. In the UK alone, 3.2 million people are diagnosed with the disease and an estimated 630,000 people have the condition but don't know it. It is believed that deaths from diabetes will rise by more than 50% in the next ten years. Simple lifestyle measures can be effective in preventing or delaying the onset of this chronic, debilitating and often deadly disease.
